(Amendment) Notice of Partial Correction to "Consolidated Financial Results for the Fiscal Year Ended March 31, 2024 [Japanese GAAP]"

As there were some revisions to the "Consolidated Financial Results for the Fiscal Year Ended March 31, 2024 [Japanese GAAP]" announced on May 14, 2024, please be informed as follows. In addition, as there were also revisions to the numerical data, revised numerical data (XBRL data) will also be sent.

1. Details and reasons for the revision

As announced in the press release dated December 26, 2024, "Investigation of Improper Accounting at SLOGIX CORPORATION", it was discovered that inventory assets had been overstated at the food manufacturing base of SLOGIX CORPORATION (a business company operates under SHIDAX CORPORATION, all whose shares of which are held by SHIDAX HOLDINGS CORPORATION; the Company, in turn, holds 66% of all shares in SHIDAX HOLDINGS CORPORATION., hereinafter referred to as "SLOGIX"). , it was discovered that there had been an overstatement of inventory assets. For this reason, our company has established a team to investigate the cause and strengthen internal controls, including external lawyers and certified public accountants who have no vested interest in our company, and has been conducting investigations. As a result, on March 26, 2025, we received a report from the investigation team, and the report stated that some employees of SLOGIX had been reporting excessive inventory balances based on physical inventory counts since the past. Based on the investigation results, we have revised our financial statements.

2. Revised part

The revised parts are <u>underlined</u>. As there are many revisions, the revised parts are only listed after the revisions have been made.

(Additional information)

(Regarding inappropriate accounting procedures)

In December 2024, it was discovered that inventory assets had been overstated at the food manufacturing base of SLOGIX CORPORATION (a member company of SHIDAX CORPORATION, all of whose shares are held by SHIDAX HOLDINGS CORPORATION; the Company, in turn, holds 66% of all shares in SHIDAX HOLDINGS CORPORATION, hereinafter referred to as "SLOGIX"). Accordingly, a team from the Company that includes outside experts has conducted an investigation into the details of the inappropriate accounting procedures, the existence of similar events, the impact on the Company's consolidated financial statements, etc., to investigate and strengthen internal controls. On March 26, 2025, the Company received a report on the results of the investigation from the team. It was discovered that some SLOGIX employees had been reporting excessive inventory balances based on physical inventory counts. The Company has decided to revise its financial statements for past fiscal years based on the results of its investigation. The impact of the above revisions on the financial figures for the current fiscal year is as follows.

(Segment information)

• Changes in Reportable Segments

From the fiscal year ended March 31, 2024, the calculation method of segment profit and reportable segments have been changed due to the reclassification of the business portfolio and the accompanying review of performance evaluation and analysis indicators by the Board of Directors following the consolidation of SHIDA Holdings Corporation (currently SHiDAX Holdings Corporation) as a consolidated subsidiary.

The reportable segments have been changed from "Home Delivery Business (Oisix)," "Home Delivery Business (Daichi wo Mamorukai)," "Home Delivery Business (Radish Boya)," and "Home Delivery Business (Purple Carrot)" to "B to C Subscription," "B to B Subscription," "Social Services" and "Vehicle Operation Services."

B to C Subscription includes the existing "Home Delivery Business (Oisix)," "Home Delivery Business (Daichi wo Mamorukai)," "Home Delivery Business (Radish Boya)," and "Home Delivery Business (Purple Carrot)." B to B Subscription includes the "Suku-suku Oisix" business, which wholesales food ingredients to nursery schools, and the "Food Service Business" of the consolidated subsidiary SHiDAX. "Social Services" and "Vehicle Operation Services", which were businesses of the SHiDAX, were added as reportable segments, respectively.

The calculation method of segment profit has been changed to allocate salaries, allowances, and legal welfare expenses ("fixed personnel expenses") and some business operation-related expenses to each business segment, which were previously included in corporate expenses.
