Notice Regarding Publication of Sponsored Research Report

Oisix ra daichi Inc. (the "Company") hereby announced that Strategy Advisors Co., Ltd. published a sponsored research report regarding the Company.

This report was prepared by Strategy Advisors from a neutral and objective third-party perspective, based on information collected and analyzed at the Company's request. Through this report, we hope to provide investors with a deeper understanding of the Company group's business activities and growth strategies, serving as a useful reference for investment decisions.

1. Overview of the Report

【Title】

Profitability Improvements Are Beginning to Emerge in the B2B Subscription Business, Driven by Know-How Accumulated Over 25 Years in B2C Subscriptions

【Equity Story】

The report highlights the following two points regarding the Company's future growth drivers:

1. Organic Growth:

A fundamental improvement in the profit margin of the B2B subscription business, leveraging the business foundation and know-how of the B2C subscription business.

2. Inorganic Growth:

Transformation into a leading company in the B2B subscription business through roll-up M&A.

*The report indicates that the realization of the above story could lead to a significant increase in the price earnings ratio (PER) forecast, which currently remains at a low level.

2. How to Access the Report

The full report is available on the official website of Strategy Advisors. Please note that the English version is scheduled to be released during the week of June 15.
